

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF OREGON

O-J-M-, *an adult*

Petitioner,

Case No. 3:25-cv-944-AB

Agency No. A XXX-XXX-349

v.

ORDER

DREW BOSTOCK, *Seattle Field Office*
Director, Immigration and Customs Enforcement
and Removal Operations (“ICE/ERO”), TODD
LYONS, *Acting Director of Immigration Customs*
Enforcement (“ICE”), U.S. IMMIGRATION
AND CUSTOMS ENFORCEMENT, KRISTI NOEM,
Secretary of the Department of Homeland Security (“DHS”),
and PAMELA BONDI, *Attorney General of*
the United States,

Respondents.

As stated on the record, Petitioner’s substantial interest in her liberty has been erroneously deprived by the Government without procedural due process through the series of Government actions. For those reasons, the Court GRANTS O-J-M-’s Petition for Habeas Corpus on Count 5 and ORDERS her immediate release, subject to the conditions that applied to her at the time of her arrest on June 2, 2025.

///

Accordingly, the Court declines to reach Count 2, which seeks identical relief but under a different theory and DISMISSES Counts 1, 3, and 4 as FACTUALLY MOOT because those Counts concern allegations of Petitioner's placement in expedited removal, which the Government initially asserted but has since abandoned.

IT IS SO ORDERED.

DATED this 14th day of July 2025.

AMY M. BAGGIO
United States District Judge
